Reading (12 items)

Lectures offer a framework and guide to the literature and to key issues. Remember – reading is a crucial part of studying for the module. You should be spending about 5 hours a week reading/preparing work for your each lecture session. Get into a good habit early and do not leave things until the last minute: schedule your work.

The main textbooks for the module are:

Introductory sociology, by Tony Bilton, 2002

[Book](#) | Essential reading
